The above is a map of the Winfield City Lake – The Marina is in Area 2 on the South side of the Lake.

Also located in this area is G-Spot Campsite where they have extra WVA Voices in a rack on their north side.

Area 2 is also where Stage 5 is located and the Stillwater Camp. Stage 11 is also located in Area 2.

Stage 7 is located in Area 3. There are many other campsites located in Areas 4-16 on the South Side of the Lake.

On the North side of the Lake in area 29 is where the Riverats Campsite is located. It is known at the Boy Scout area.

A new stage has sprung up on the North side of the Lake. It is called “Stuck In Da Mud” and it is in Area 23.

Camp Next to Nowhere is also located in Area 23. It is again hosting this year’s Catholic Mass on Saturday evening at 4:00 PM. The Mcspebee Clan has again asked Father Michael Pratt of Tulsa, OK to be the celebrant. They invite and welcome all to join them as they gather around the table of the Lord singing those ol’ time gospel favorites

There are many other campsites on the North side of the Lake in areas 20-30.

The Festival is sorry for the inconvenience and distance from the Fairgrounds, but we are thankful that the City of Winfield has a facility such as this where camping can be located when the Walnut River overflows its banks and camping is not available at the Fairgrounds.

**More Memories of the Past 45 Years**

*Diane & Wayne Steadham* “44 years + June Jamboree and Spring Thing. We dig ‘em all and look at the friends we’ve made.”

*Seth Bate* “This will be my 26th festival in 27 years. I live in Winfield the rest of the year, too. I have so many amazing memories. One that stands out is playing in the Band Scramble with Dee and Guinn.”

*Jill Paulsen* Harrison, Springfield, MO. “Favorite memories are too many to count, but two I especially remember are in 2011 John McCutcheon singing “This Land Is Your Land” while everybody stood and held hands raised in the air and anytime the Wilders would perform, especially the time that Nate's bass broke in two pieces. Such a great festival!!! Oh, the memories!”
